OUR VALUES

EXCELLENCE

INDEPENDENCE

COMMUNITY

Welcome to Smithills School

Thank you for expressing an interest in the position of Leader of Pedagogy in Mathematics. This is a wonderful opportunity to join our successful, over-subscribed 11-16 school at an exciting stage of our journey.

We are a large secondary school, a single Academy Trust, situated in the heart of Bolton. As Headteacher I am fortunate to work alongside our talented staff, pupils, families and community partners. Our school is a very special place where we respect individuality, diversity and difference. Every child who joins us is encouraged to achieve and every adult who joins our team is given the opportunity to contribute.

Our values of Excellence, Independence and Community are evident in all that we do. They combine to ensure our vision of 'Success for All' is achieved.

September 2023, two weeks into my headship, the school was judged as requires improvement for Quality of Education and Leadership and Management, but good for Personal Development and Behaviour and Attitudes. Ofsted commented 'pupils are warmly welcomed and quickly settle into school life', we have 'high aspirations for pupils' achievement' and 'staff feel happy and proud to work' at the school. They remarked that we are on the right track with the changes we are making, we simply need more time to implement and embed them.

Our pupils are at the heart of everything we do. We are committed to developing and nurturing every child, providing the very best standards of education through a strong, knowledge rich curriculum, which is built around our expectations that all pupils will develop their depth of understanding across a wide range of subjects, securing an ambitious education for all. We also offer our pupils a wealth of cultural experiences, broadening horizons and developing self-esteem which provides them with the skills to make positive contributions to society, now and in the future.

We are committed to the continued professional development of all our colleagues and take our responsibility to develop leaders of the future seriously. We are equally committed to staff wellbeing: we provide a package of support to help all colleagues achieve a happy work life balance and we have a thriving wellbeing group that initiates real change in school.

If you are a dynamic, motivated, conscientious professional who has a passion for working with children and young people and you feel you have the skills and personal attributes to work as part of an innovative, energetic and ambitious team, we would love to hear from you.
